Music-407-914-6980 When Jesus went into Jerusalem riding on a donkey people placed more than palm branches in his way, they placed their garments, straw and branches as well. This was to show the recognition of the people to the fact that their savior and king was in their midst. Jesus is worthy of all praise, "The Heavens

~~declare the glory of God, and the firmament sheweth his handywork."~~ Psalm 19:1 Of page 1 / 2

course What was to follow was Jesus suffering and passion, he would die a horrible death of crucifixion, but rise from the dead, victorious over death and as a great King goes forth as a conqueror, so did Jesus who conquered the greatest enemy of all. One day we will be before this triumphal King and I could imagine seeing palms again, but this much I know and am certain we will all have crowns showing the victory and the royal inheritance that we have because of Jesus and instead of casting Palms, we will cast crowns at the feet of Jesus. God Bless and keep you is my prayer! Rev. Charles E. Graham Metro Federation of Churches - members
